Dear Sir or Madame;

I am writing this letter of reference for Lady Deborah's. Lady Deborah's has provided a wide variety of services for us ranging from rough construction clean up to detailed cleaning of condominiums and homes. Our communities of condominiums projects included Tidelands, Canopy Walk and Cinnamon Beach, and Palm Coast Resort which consisted of over 500 units of construction cleaning.

Lady Deborah's has proven to be extremely dependable, reliable, punctual, and trust worthy. Once given instructions you can be confident that the work will be completed to or above your expectations. Lady Deborah's has been working for us for the past five years. During that time they have surpassed all our expectations and I cannot speak highly enough about them. Any company should feel fortunate to have Lady Deborah's working for them.

I am personally recommending Lady Deborah's for the position that this is in reference to. You will not be disappointed with the quality of their work. Should you have any questions regarding the work they have done for us please do not hesitate to contact me.

Best regards,

Brian Barnwell
