To Whom It My Concern

I have known Lady Deborah Inc. for the past three years while serving as the Facility Manger for Marine Corps Support Facility Blount Island in Jacksonville FL. LDI has provided excellent janitorial service to our base.

The management team has always strived to meet the changing environment of the base. Employees are well trained in many different aspects of the job, such as environmental requirements, safety, and customer interactions. On several occasions LDI was asked to perform special floor cleaning services which included: furniture relocation, stripping wax, re-applying wax and polishing during off hours. This was accomplished on time and in budget as promised.

Over the years, LDI has experienced little work force turnover. I attribute that to job satisfaction and a good working environment.

I recommend LDI for employment without reservation. Please let me know if you need further information.

Respectfully

Tommy Sailors, CEM
